The Financial Secretary
to the Government of Mysore,
Bangalore.

Sir,

With reference to G. O. No. F4296/G.F.13-19-48 dated the 20th January last sanctioning the transfer of Mr. G. N. Ranganathan from the Railway Audit Office and his appointment as a Superintendent of this Office, I have the honor to state that Mr. Ranganathan was first a Temporary Accounts Clerk in the P.W. Branch of this office and subsequently transferred to Railway Open Line Branch where he was confirmed in the non-pensionable permanent establishment with effect from 9th February 1915. The total non-pensionable service amounts to 4 years 11 months and 11 days. As he has now been re-transferred to a pensionable establishment the question as to how the service rendered by him in the Railway Department ~~to~~ should be treated has to be settled. I made a reference to the Accountant General, Railways, on the subject, and I enclose a copy of the reply received from that officer. In accordance with the practice obtaining in British India such cases are treated on their own merits and such officers are either allowed to count their service for pension from the commencement of their service, subject to a refund to Government of the bonus and interest thereon - - credited to them in respect of the non-pensionable service, or ~~is~~ are allowed to withdraw their deposits from the Provident

Fund and count the service afresh in their pensionable appointments.

I would recommend that Mr. Ranganathan may be allowed to count his service for pension from the commencement of his service subject to a refund to Government of the bonus and interest thereon credited to him in respect of his non-pensionable service, and I request you will be so good as to obtain the sanction of Government to the same..

I have the honor to be,

Sir,

Your most obedient servant,

T. Satyanarayana

Comptroller to the Govt.
of Mysore.

Copy of the letter No.295-E dated 5th March 1920 from the Accountant General, Railways, Delhi, to the Comptroller to the Government of Mysore, Bangalore.

Sir,

With reference to your letter No.1360 dated the 16th February 1920, enquiring the practice on State Railways in regard to the terms affecting pension and gratuity on which an officer is transferred from a non-pensionable appointment to a pensionable one, I have the honor to state that each case is treated on its merits. Such an officer is either allowed with the sanction of the Secretary of State to count his service for pension from the commencement of his service, subject to a refund to Government of the bonus and interest thereon credited to him in respect of his non-pensionable service, or is allowed to withdraw his deposits from the Provident Fund and count his service afresh in his pensionable appointment.
